

## **PIEDRAFINA MARBLE SURFACES CARE AND MAINTENANCE**

Maintaining Piedrafina Marble Surfaces is easily achieved. You will need to follow some simple care and maintenance steps and take some general precautions. By following the recommendation you will enjoy your Piedrafina Marble Surfaces for years to come.

### **Care and Maintenance:**

For routine cleaning utilize a damp cloth or paper towel.

For more difficult stains a small amount of mild soap can be utilized.

For the most stubborn stains you can incorporate a neutral pH cleaner and a non abrasive scrub pad.

Be certain to rinse all areas thoroughly when applying any type of cleaning agent.

Although Piedrafina Marble has low liquid absorption it is advisable to seal the product on an annual basis. It is recommended to utilize a marble sealer while carefully following the manufacturer's instructions.

### **General Precautions:**

Be cautious when exposing your marble surface to any chemicals or solvents.

Many commonly used household cleaning products may have negative effects on the marble surfacing.

Never expose Piedrafina Marble Surfaces to any chemicals that contain trichlorethane or methylene chloride such as paint removers and furniture strippers.

When choosing a cleaning agent it is never recommended to utilize any product that contains high acidity (low pH) or high alkaline (high pH). It is recommended to utilize a neutral pH cleaner.

If accidental exposure to any damaging products should occur, thoroughly rinse the affected area with water as soon as possible.

## **Piedrafina Residential Limited Warranty**

---

PF Surfaces the Company, as seller, warrants the original purchaser of Piedrafina products for a period of two (2) years from the original date of installation. The warranty applies only to the material against any manufacturers defects. The warranty does not apply to improper application, fabrication and/or installation, improper maintenance or other causes that would result outside of manufacturing defects.

In the event that a failure does occur in the first two (2) years then PF Surfaces the Company at its expense will provide replacement material. PF Surfaces the Company will not provide the cost of labor for fabricating, removing or repairing the damaged material or any damage that may occur as a result of reinstalling new product.

All warranties must be registered through the PF Surfaces Company website at [pfsurfaces.com](http://pfsurfaces.com) or by contacting a company representative and obtaining a registration form within one (1) year of installation. The warranty is not transferable and subsequent purchasers will not be covered through this limited warranty.

In order to make a claim under the terms of this warranty the purchaser must complete a warranty claim form. A warranty claim form may be obtained by email at [info@pfsurfaces.com](mailto:info@pfsurfaces.com) or by contacting Piedrafina at 888-852-5343.
